## Summer Camp 2025

### Overview:

**Creative Workshops :** Every week of camp is a creative workshop focused on introducing students to an artform. Camp hours are 9 am to 5 pm. Students spend parts of their day culminating introductory skills in the artform and creating their own work using their creative freedom and support from their mentors and peers. With consecutive days to work on their projects, breaks during the day for food and recreation, one field trip per week, and a dedicated time to use towards light academia for transitioning into the upcoming school year, the experience is well balanced. Each workshop subject offers layered benefits to students. The table below includes the list of workshop subjects that are the focus of each week.

<u>Weekly Themes and Field Trips :</u>		
<p><b>#01</b> June 23rd - 27th Theme: Arts Canvas Field Trip: Seattle Art Museum</p>	<p><b>#06</b> July 28th - August 1st Theme: Animation Field Trip: Museum of Illusions</p>	<p><b>#07</b> August 4th - 8th Theme: Short Films Field Trip: Remlinger Farms</p>

4:30 PM	Project Wind up / choice activities	4:30 PM	Project Wind up / choice activities
5:00 PM	Dismissal	5:00 PM	Dismissal

**Weekly Field Trip :** Students will be taken on one weekly educational and/or recreational field trip. The destinations will be outdoor destinations, or a combination of indoor / outdoor.

**Summer Bridge Academic Learning :** Summer Bridge occupies an hour of each camp day. This part of the day will focus on a review of the core curriculum for each student's prior grade level, and a head start on the core curriculum for the grade students will be entering in September for a smooth transition to the school year and to fill in any learning gaps. The academic portion of the day involves short lessons and demonstrations, and work completed in workbooks/ worksheets, hands on activities, and group projects.

**Nutrition Breaks and Recess Breaks:** Students have two snack breaks and a lunch break each day. Students must bring nutritious food from home for two snacks and lunch. Students bring their own water bottle that can be refilled at our bottle filler station. On field trip days students must bring a disposable sack lunch and disposable beverage, requiring that all packaging is disposable so that students can have free hands during their field trip.
